

## Highland Stage Company

### Diamond Belle Ranch: Services offered summer 2013

**July** – by reservation only **August**- reservations preferred, but we plan to be camped at the Ranch all month, and can take some walk-in's **September**- by reservation only

#### Wagon and Stagecoach Rides:

For this summer, we will be running the Farm Wagon and Stagecoach with a single team of horses, which limits the number of passengers to 6 per excursion.

If larger parties are desired, we can lease a 4-up hitch (two teams on one vehicle), but will need 30 days' lead time to make arrangements, and prices will vary from those below.

We also offer custom 4 day, fully provisioned overnight trips on the historic Chesaw-Republic stagecoach route with the 4-up hitch starting at \$1600/day.

*The following rates are good for August only:*

**2 hour Wagon or Coach "loop" around the Ranch: \$200/trip (1-6 passengers)**

**\*Add picnic lunch stop at a scenic location: \$10/person; \$5/child (4 – 12 y.o.)**

**\*Add BBQ dinner stop at Smith Cabin outfitter camp: \$18/person; \$5/child**

#### Events:

The stagecoach, wagon and team(s) can be available at a daily (and half-day) rate for weddings and other special events on site. One popular option is to hire the coach for transporting guests from a parking area to the Lodge. The wagon or coach may also be hired at the daily rate for multiple trips around Walker Lake and the Ranch.

Daily rate includes one vehicle (farm wagon or coach), one team, teamster and outrider/passenger assistant.

*The following rates are good for July or August:*

**Daily rate: \$125/hr (min 3 hrs)**

#### Trail Rides:

We will book through Kettle Range Outfitting and Guiding for groups of 4 or more; we can handle the couples and individual riders with the stock we'll have at the Ranch.
